The Youth in Transition - Housing Support Program
Invites Youth Aged 15-24 to join us this PD Day for a:

Woodland Painting Day

with Storm Angecone of Lac Seul First Nation

Painting is a great mental health outlet; it is a safe space to explore emotions, lower stress, allow mindfulness, and a feeling of self-pride in the completion of our own creations.

Join anishinaabekwe artist, Storm Angecone this PD Day to get in touch with your creative side, as we honour the children who were lost, the survivors of the residential schools, their families & communities, and celebrate our resiliency as Anishinaabeg people with an "Every Child Matters" painting theme.
Lunch will be provided.

Date: Monday, September 28th

Time: 11:30am-2:30pm

Location: Nanicost Gym
