## Youth Addictions Treatment Facilitator (.75 FTE)

### General Description

The Youth Addictions Treatment Facilitator is a part-time position consisting of 3.5 days per week. The Youth Addictions Treatment Facilitator will work within a culturally competent system of care and as such will acknowledge and incorporate Anishinaabe cultural knowledge and practices within the position. The Youth Addictions Treatment Facilitator will develop culturally competent practice skills that are congruent to the unique needs of the 9 First Nations served by Weechi-it-te-win and to the overall vision of the organization.

The Youth Addictions Treatment Facilitator will work exclusively to develop and deliver an **outpatient treatment program** for adolescent youth and young adults that includes harm reduction, life skill development, stress management, life coaching, psychoeducation, and psychotherapy as well as SMART recovery groups.

The Youth Addictions Treatment Facilitator will lead and coordinate Outpatient Treatment Cycles that will operate three evenings per week over a four-week cycle period.

The Youth Addictions Treatment Facilitator will work within Weechi-it-te-win's Clinical Team, by providing intake services for the outpatient treatment program, some service navigation, treatment file maintenance and auditing, as well as some administrative tasks.

### Responsibilities

The Youth Addictions Treatment Facilitator reports to the Clinical Team Leader

### Qualifications

1. Appreciation and understanding of Anishinaabe culture, values, ceremony, teachings, and a commitment to continued learning, participation, and advocacy.
2. Bachelor's degree, post-secondary degree in social work, psychology, or a post-secondary diploma specifically related to substance abuse and addiction.
3. A minimum of 2 years of direct practice experience in addictions and/or trauma supports for youth and families.
4. Group Facilitation Certification or Training.
5. Certifications and experience in various mental health intervention modalities are a definite asset: SMART Recovery, Trauma Informed Responses to Addictions etc.
6. Ability to speak Anishinaabe Language is a definite asset.
7. Experience in group or family therapy will be considered an asset.
